Who we are

A local chapter of a nationwide AMA Alliance and a registered 501(c)(3) non-profit organization with over 90 dedicated members.

A group that provides support, friendship and camaraderie within the medical community and raises funds for our local community.

What we do

Serve as community advocates to promote health education and raise funds for health programs and scholarships

Organize item drives and donations for many local organizations

Prepare meals for the Ronald McDonald House

Build our community through social events throughout the year

Over \$165,000 raised and disbursed to charitable organizations in the past 11 years!
